A MOUNT GRACE PARTNER 

GoodSam Med
Cabanatuan

WHO WE ARE

GoodSam Medical Center is A Trusted Healthcare Provider in **Nueva Ecija.**

The GoodSam Medical Center evolved through the years into a hospital system with a main hospital in Cabanatuan City, a branch in **Gapan City** and a diagnostic and laboratory center in **San Jose City.**

Currently, the only hospitals in Nueva Ecija that are partners with **Mount Grace Hospitals Inc.**

HOSPITAL JOURNEY

GoodSam Medical Center has become a beacon of hope and healing in the community.

Since its founding, our hospital has grown from a modest facility into a state-of-the-art medical center, reflecting our unwavering commitment to providing exceptional healthcare.

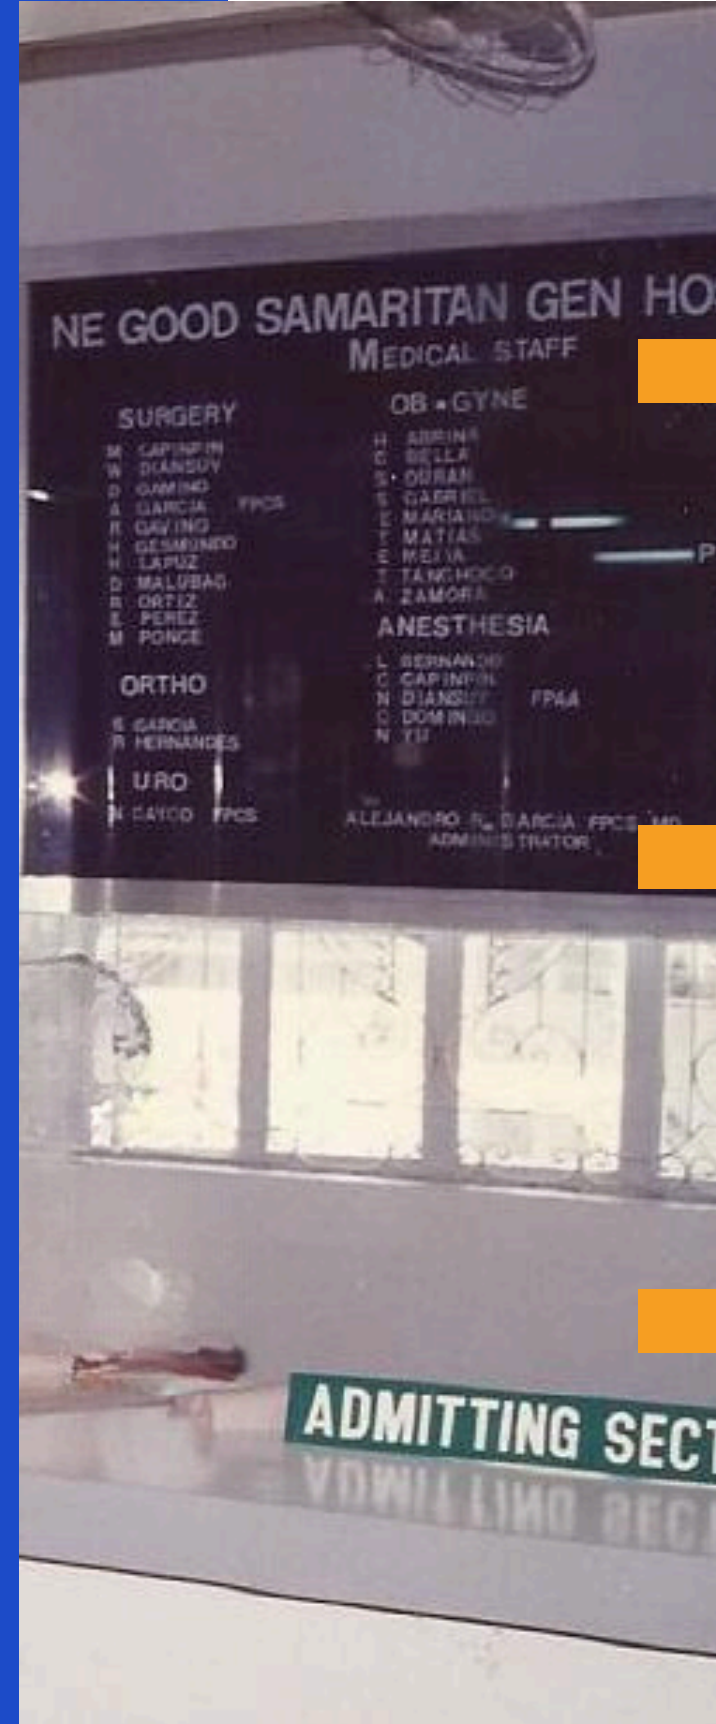

JULY 1978

A subsidiary of the Allied Medical Services Corporation together with the Good Samaritan Colleges, Inc.

1990

attained its independent entity to pursue its goal of community service. Imbued with the desire to provide health care services and their plan to establish a health center equally comparable with other advanced and global medical centers

HOSPITAL JOURNEY

JULY 1995

Our **first satellite Clinical Laboratory** was established at San Jose City, Nueva Ecija. It was then followed by another at Gapan City.

JULY 1998

Gapan Clinical Laboratory and Diagnostic Center was **grown to become a full tertiary hospital** of 25 beds equipped with complete staff and facilities.

2009

The institution was **named Nueva Ecija Good Samaritan Health System, Inc.**

**THE HOSPITAL'S
MISSION AND VISION**

Guarantee delivery of Quality healthcare to patients of Nueva Ecija and neighboring communities anchored on world class service standards.

Organize services delivered by competent and compassionate healthcare professionals.

Offer state-of-the-art facilities, diagnostic and therapeutic technologies and innovative processes.

Drive professional growth and motivation among its medical and allied personnel.

Sustain growth of shareholders equity value.

Advocate for medial care for all to address the healthcare needs of the community and the nation.

Mobilize socially responsive programs.

In **2026**, we will be the **leading hospital in Nueva Ecija** and neighboring provinces. of the general population with the **highest standards of healthcare delivery.**
